

# Janusz Lacny

**POSITION:** President of the International Road Transport Union – IRU

**ORGANISATION:** International Road Transport Union - IRU

Mr Lacny has been the President of the International Road Transport Union (IRU) since January 2008, Vice President since November 2003. Prior to this, in 2000, he became Chairman of the Advisory Committee to the Minister of Transport and then the Minister of Infrastructure in Poland. He is a Professor at Gdansk University of Technology and other universities in Poland and abroad, as well as being the proprietor of his own transport company.

**Janusz Lacny will be on the panel of the discussion and closing session on Day 1 of the conference.**

---

Janusz Lacny will present the work done by the IRU in the past decade in relation to informing the transport planners and drivers about the location of truck parking areas. He will explain what role the responsible authorities should undertake in widely publicising the location of truck parking areas in their Member State. Finally, he will present TRANSPark, the IRU/ITF run truck parking information platform for the transport industry providing transport planners and drivers information about the location, security and service level in the EU and beyond.
