

Ludwig A. Büchel

POSITION: President

ORGANISATION: Union Internationale des Chauffeurs Routiers UICR or "International Union of Professional Drivers"

LABEL ACTIVITY: Expert Group

Years ago Ludwig became interested in politics and got involved with the truck driver's association. He worked his way up and is today the most important truck driver in Europe. His organisation coordinates and represents the interests of professional drivers. With these goals in mind, the UICR is involved in improving traffic safety, work-related education and the quality of life for professional drivers. In Europe UICR acts on behalf of 1.4 million truck drivers.

Ludwig Büchel will be on the panel of the discussion on Day 1 of the conference.
