

Rob de Leeuw van Weenen

POSITION: Senior Consultant

ORGANISATION: NEA Transport research and training

LABEL ACTIVITY: Coordinator

Rob de Leeuw van Weenen is Senior Consultant at NEA. He received master degrees in Civil Engineering, Financial Economy, Spatial Economy and Organizational Psychology. Before joining NEA in 2000 he worked for the Dutch Ministry of Transport, Public Works and Water Management (Risk Analysis Department), the Rotterdam Port Authorities and the Dutch Ministry of Finance (PPP Knowledge Centre). In his work for NEA, Rob has managed a multitude of projects, mostly in an international context. Rob's key competences can be found on the management of projects that are related to transport infrastructure and socio-economic/institutional impact.

Rob de Leeuw van Weenen will be presenting the following at the conference:

Presentation of the LABEL project:

- background;
- set-up of the LABEL project;
- implementation and deliverables;
- achievements and future.
